“ *Angela was the most loving, compassionate angel on this earth. She was the first person that I met in Ardmore February 1998. She encouraged me to open Ardmore Family Medical Clinic and was my first patient. She and Woody believed that the good people of Ardmore would support the clinic because of the quality of caring I provided. I know the gift she provided for many as they grieved the passing of a loved one. She eased the pain and believed in eternal life. Rest in Peace dear friend, you have your wings. We will miss you, know that you were Loved.*
