“ *For the family: please accept my sincere condolences for your loss. May you find consolation in your precious memories, the love of your family and friends, and the reassurance found in God’s word. Though death is the legacy of our forefather Adam (Romans 5:12), we are not without hope. The ancient patriarch Job had deep faith in a future resurrection (Job 14:14,15). May that hope bring you peace of mind as well. We will soon see our dead loved ones again. Please feel free to contact me.*
