“ I would see Anne at ballgames for our kids, or at a hair salon we both went to, and at the grocery store. She always had a story or news about something. Always fun, great smile, and a lovely lady. She and her daughter invited me years ago to her home to play cards with a group of ladies. Really fun, great laughter, I am just sorry I stopped going. Her daughter, granddaughter, and her I could tell were all best friends. She will be so missed.. god bless sam and sally so sorry for your loss please don't hesitate to call if either of you need anything.

“ Very sad to hear about Aunt Anne. My thoughts are with Sally, Sam and the rest of the family at this time. She was a lovely woman and I'm thankful I got to see her not too long ago.

“ Ms Anne & I became fast friends. Although, Ms Anne was in her 70's, she didn't look or act like it. Most were shocked when she'd tell her age. She could keep up w/ the best of'em. Usually you'd see Ms Anne out & about in Ardmore or at a local auction but I hadn't seen her in a while. I stopped by her house a few weeks ago to check on her but didn't get a response at the door so I assumed she was off visiting...I wish, I had made another attempt to see her & talk (gossip) w/ her one last time...😞 She'll definitely be missed! ❤️
