“WHEN TOMORROW STARTS WITHOUT ME”

*When tomorrow starts without me
And I'm not here to see
If the sun should rise and find your eyes
All filled with tears for me*

*I wish you wouldn't cry
The Way you did today
While thinking of the many things
We did not get to say*

*I know how much you love me
As much as I love you
Each time that you think of me
I know you will miss me too*

*When tomorrow starts with out me
Please try to understand
That an angel came and called my name
And took me by the hand*

*The angel said my place was ready
In heaven far above
And That I would have to leave behind
All those I Dearly Love*

*But When I walked through Heaven's Gates
I felt so much at home
When GOD looked down and smiled at me
From his golden throne*

*He said This Is Eternity
And All I promised you
Today for life on earth is done
But Here it starts a new*

*I promise no tomorrow
For today will always last
And Since each day's the exact same way
There is no longing for the past*

*So When Tomorrow starts without me
Do not think we're apart
For every time you think of me
Remember I'm right here in your heart*

“ *Tony was one of the nicest people I have had the pleasure of meeting in life and working with at Benchmark. He always was willing to help in any way he could which was appreciated more than he knew.*

I am so shocked and saddened by his passing and my deepest and most heartfelt sympathies to your family. Heaven has gained an angel for sure.

“ *I raced with Tony around 9-10 years ago. I had no idea anything was wrong until I heard this news today. My sincerest and deepest sympathies to his family. I am so sorry! I've never met a better man in my life than Tony. I haven't spoken to him or seen him in years and for that I'm ashamed. I wish I could turn back the clock and just talk to him for 30 more minutes. It was truly an honor to have known Tony and if there's anything I can help his family with please do not hesitate to give me a call.*
