“ She was my Mama Canup. She and David were my second set of parents through my teenage years. I enjoyed being in their home and spending time with the family. And I always enjoyed the chocolate gravy on my biscuits for breakfast. She was always a supporter of the youth choir during my teenage years and we spent many a Sunday night on the Green Bean (church bus) going to Burger King. I was also invited on a family vacation to keep Cheryl out of trouble! Haha. I felt like part of the family. I have these wonderful memories that I will always cherish. She made a difference in my life. Thank you, Mama Canup.
