“ Where to start?? Mrs. Barbara was such a special lady! I will always remember her smile, her wit, her hard working nature, her generosity, her concern for others and willingness to help others. Barbara helped me so much when I was a lot younger man than I am now, guiding me through the maze of staffing a brand new manufacturing plant in our hometown of Ardmore. Barbara literally knew everyone in our area and with her knowledge we were able to build a team we were truly proud of. Most of all, she was my friend and at times like my second mother! I will truly miss seeing her from time to time as most who knew her will. To Jeff and the family rest assured Mrs. Barbara is in Heaven now waiting on that great reunion!
