“ Mrs. Rudolph lived a fine example of a Christian wife, mother and friend to many. When my mother passed away in 2020, Mrs. Rudolph became 'Mom #2'. She treated me like a son. I will miss her but I know where she is because I know the Savior that she knew. Mrs. Rudolph has completed her life's journey and lives with Christ. She has been reunited with many family members and friends.

To the Rudolph family I offer you my sincere sympathy. Stay close to the Lord Jesus Christ and He will provide comfort through the Holy Spirit.

In Christ's Love,

Alan Wilson

“ *Mrs R, Thank you for being a 2nd mom to me when we were in Athens. You had made so many delicious foods and had fun spending time with Ruth at your house. Right now you are enjoying time with your husband, your children, Mrs Finley and family. One day we will meet again. Love you Mrs R*
