“ *Unfortunately, I haven't been able to travel to the south in several years but have talked to Uncle Buck frequently on the phone. He always had a joke or comment to make me laugh even when he was in severe pain. He would tell me stories about my dad and how much he loved him. He loved all of his family with such sincerity. He bragged about Dave and Becky's accomplishments. He loved the Lord and I know that he is now with Him and probably playing tricks on everyone. 😊 May you rest in peace, Uncle Buck. I LOVE YOU*
