“ *The first time this angel came into my life I was changed. Mrs. Brenda called my kids over to get an ice cream from an apartment in Blackshear, GA. We hit it off and have been friends since. She has been my rock on many days. As if she knew when I needed her, she would call or stop by. We laughed because she said the same thing to me. She has been a grandma to my kids...even going to grandparent's day with my youngest. We enjoyed crafting, sewing, and talking together. Sincere condolences to her family and friends! (We talked about each one of you often.) My birthday is gonna be a little lonely without your smile and big hug. Love ya chic! I know ya are flying high, Mrs. Brenda.*
