“ *Hassie and Traci — I'm very sorry to hear of Randy's passing. I remember coming over to your house when I was little. Traci and I played in her room upstairs. I never knew Randy very well, but he always seemed like such a nice man. I remember I thought he looked just like the young Kris Kringle character in a Christmas special I had watched, and after we left your house, I asked my mom if that was who he really was. Our hearts go out to you in this difficult time, and we will keep your family in our prayers ~ Love, Margaret (Lowrey) LeFevre, Craig and Eli.*

“ *Hassy;*

Bob Lowrey here- I wish to express my deepest sympathies for Randy's passing. I remember him as being so personable and down to earth, with a quick wit. One of my last memories of him quite awhile back was over at Uncle John's house. We were having a discussion about chain saws, he was a real guy's guy! I know that his spirit will live on in all that knew him.

Blessings to you and all of the family.
