“ *Where do I start?*  
*Carole and I met Carl and Nadine at the Ballon Festival in Albuquerque NM around 20 years ago. They were experienced full time motorhome dwellers and we were newbies. We often traveled together and enjoyed one of Carl's favorite hobbies, GeoCaching, searching for hidden trinkets/notes using GPS.*  
*A life long friendship continued as we bonded for our love of living and traveling full-time in our RVs.*  
*Carl was a caring, generous family man and friend who is and will be forever missed.*
