“ My first memories of Carla will always be that she had the most beautiful sunny smile. While we were only classmates in Germany, I feel so fortunate to have been included in the Baron Babe reunions. We have lost our sunshine angel and I will hold her friendship forever in my heart.

“ *Carla was my dear friend, dating back to 1969 when we met in Germany where our Air Force fathers were stationed. For military brats, a friendship that spanned 49 years is no small thing.*

You could argue that Carla's share of providential gifts was unfair to those of us who get by with less. But she was tireless in her efforts, in the conduct of her life, in her betterment of those around her, and in her refusal to believe that something wasn't worth trying or doing. She demonstrated her abundant love for family and friends in a million big and little ways.

One of our high school classmates said it best, "There's a spot in my heart that will be empty forever." Another of our friends wrote, "The good-byes will be a steady stream of tears - but the hellos in heaven will be over the top amazing."

I can't say it any better.

“ *Carla Hilton Bailey was a standout part of the Bitburg American High School (West Germany) fabric and forever lives on in the hearts and minds of each of her former schoolmates. She was always exceptionally intelligent, attractive, popular, and just plain good. To say that she will be missed by all of us who had the pleasure of knowing her in the early 1970's and at our reunions held throughout the United States ever since, would be a tremendous understatement. God bless Carla and her family, always. Robert M. Nadeau, BAHS Class of 1973*
