“ Rebecca was a great friend and confidante through a very tough time of my life. She would not judge but rather listen to my problems.. I met her through my time at Decibel Products and even though she could be a pain at times, I enjoyed working with her. She was a dedicated worker and she protected her associates. Her death has left a great sadness in me but I know that that Heaven just became a little better.

“ Mom, I should've been there, to there are no excuses. I lost the biggest piece of me and never realized it till you were gone. Mom, I am soon sorry. The world will never be the same.

“*I saw Rebecca March 2, 2019 at the Elkton Methodist Church Bean Supper. We spotted each other about the same time and waved at each other. We made our way through the crowd to each other. We hugged each other very tightly since we had not seen each other in quite sometime. We talked about Mary and John and how they are doing. We shared some memories of our own then we hugged each other again and said our goodbye. I'll always that remember that sweet smile when she saw me and when we parted. She was such a lovely lady. I cherish my memories with her.*”
