“ I took care of Mrs. Magnusson at Limestone Health Facility and it was truly a pleasure. Although I did not get to meet this precious lady until after her sickness took over, she was such a sweet and kind woman. I had the pleasure of caring for her and spending quality time with her during dinner when I fed her. She definitely loved her cornbread & buttermilk, grape koolaid, & unsweet tea with sweet and low. Although she was such a small lady, she was stout and feisty sometimes! I'll never forget her, and the times that I was able to care for her when she was unable to care for herself. I know from experience that she touched the hearts of so many people and she was truly a blessing in my life. I was able to get to know her children (Charlotte, Harvey, & Pat) and help them get through the rough times they had to face during her last days on this earth. When I found out that she was declining, it broke my heart for the family. To lose a parent, you have to be strong and just remember the good times. During her last days, I was able to tell her what she meant to me and that her sweet husband was waiting for her at the pearly gates of Heaven, and I told her that I would appreciate it if she told my parents (that have passed away) that I loved them. Mrs. Magnusson was a blessing in my life and she will always have a place in my heart. Due to my work schedule I was unable to go to her services, and it breaks my heart that I was not able to. But my thoughts and prayers are with the family during this troubling time. I love you Charlotte, Harvey, and Pat. My love is with you all. God Bless.
