“ I worked with Chuck at General Electric in Decatur, Al from the time I started in 1989 until I retired in 2008. He contributed very much to the success of GE appliances while he worked there!
Chuck was a hard worker and most importantly a great person! We shared many great times and memories while we worked together.
Rest easy my friend! We will miss you! May God bless Linda, his sons and all the family! George Hoffmeyer
