“ *So sad for your loss Willie and Joyce. I will miss the back and forth we had about football, baseball and just kidding at each other. He was a good friend who would help you out in an instant, all you had to do was ask. Brad and I spent a lot of time together working at Dunlop and Nissan which I enjoyed a lot more because of his friendship. He made me laugh while also being a perfect work partner to me that couldn't be beat.*

“ Aunt Joyce and Willie , I'm so very sorry for the loss , Brad was an amazing young man. It was like yesterday remembering the two boys that came to Adena to visit, and I remember Mom saying those two are cute as a button. The summer vacations to Tennessee, I asked Mom to keep him with her til we meet again..
