“ Just wanted to say how very very much Papoo will be missed, and what a wonderful person he was and there will never be anyone else in the world like him he was one in a million, the only thing that makes me feel a little better is knowing that he is up in heaven with Nana and they are probably together having a wonderful time and no longer suffering in pain down here in this crazy world of ours!! He will always be in my heart!! Love always

“ My Papoo(name all grand kids had for him) was one amazing man. He has been a huge part of my life from the day I was born. I am truly blessed to have had Nana and Papoo play such an important role in my life. They were my second set of parents and always were there for me in both good and bad times. They are missed dearly but I find peace in knowing they are finally enjoying their time together again, with The Lord.
