*Dan was one of those rare people who I never heard a negative word spoken about him. I knew right away when I met him at work that we were gonna be buddies, and that don't happen often but you could just tell he was one of the good guys. He wasn't just my coworker, he was my good friend and I'm sure gonna miss him. Rest in peace buddy and I'll see you again on the other side.*

DR

*I only knew Dan through telephone conversations. He was always ready to laugh and to talk some about the goodness of God-a very special person. He will be missed.*
