“Debbie was an amazing sweet lady. She was a second mom to me and was so good to me from the very beginning. We shared many laughs cries and fun times. There are a lot of good memories with her. The most favorite memory I have with Deb is me and her cooking in the kitchen we were making Rice Krispy Treats and she was showing me how she makes them. She said I will tell you how to do it and you do it yourself but I'm here if you need me. She was good like that. She was always there when you needed her. She loved her family so much she loved everyone she came in contact with but one thing the momma came out if you hurt one of her own. She was very protective and wasn't afraid to tell you what she thought. She took me in with open arms from the first day she met me. We had a great bond and I'm so thankful that we had the time together even though it was cut short I'm still thankful for our time together as a family. Debbie you are in our hearts and we will always love you! Thank you for always being so good to me and loving me as one of your own. Stanley, James and Spanky will always have me in their corner. I will always be here for them. I know in my heart that you, my parents and my brother are looking down at us watching over us. Thank you for everything. I love you sweet lady ❤️

“ *When tomorrow starts without me
And I'm not here to see
If the sun should rise and find your eyes
All filled with tears for me*

*I wish you wouldn't cry
The Way you did today
While thinking of the many things
We did not get to say*

*I know how much you love me
As much as I love you
Each time that you think of me
I know you will miss me too*

*When tomorrow starts with out me
Please try to understand
That an angel came and called my name
And took me by the hand*

*The angel said my place was ready
In heaven far above
And That I would have to leave behind
All those I Dearly Love*

*But When I walked through Heaven's Gates
I felt so much at home
When GOD looked down and smiled at me
From his golden throne*

*He said This Is Eternity
And All I promised you
Today for life on earth is done
But Here it starts a new*

I promise no tomorrow

*For today will always last
And Since each day's the exact same way
There is no longing for the past*

*So When Tomorrow starts without me
Do not think we're apart
For every time you think of me
Remember I'm right here in your heart.*

*Some things I'd like to say
but first of all to let you know
that I arrived okay*

*I'm writing this from Heaven
where I dwell with God above
where there's no more tears
or sadness there, is just eternal love*

*Please do not be unhappy
just because I'm out of sight
remember that I'm with you
every morning, noon and night*

*That day I had to leave you
when my life on Earth was through
God picked me up and hugged me
and He said I welcome you*

*It's good to have you back again
you were missed while you were gone
as for your dearest family
they'll be here later on*

*I need you here so badly
as part of My big plan
there's so much that we have to do
to help our mortal man*

*Then God gave me a list of things
He wished for me to do
and foremost on that list of mine
is to watch and care for you*

*And I will be beside you
every day and week and year
and when you're sad, I'm standing there
to wipe away the tear*

*And when you lie in bed at night
the days chores put to flight
God and I are closest to you
in the middle of the night*

*When you think of my life on Earth
and all those loving years
because you're only human*

they are bound to bring you tears

*But do not be afraid to cry
it does relieve the pain
remember there would be no flowers
unless there was some rain*

*I wish that I could tell you
of all that God has planned
but if I were to tell you
you wouldn't understand*

*But one thing is for certain
though my life on Earth is o're
I am closer to you now
than I ever was before*

*And to my very many friends
trust God knows what is best
I'm still not far away from you
I'm just beyond the crest*

*There are rocky roads ahead of you
and many hills to climb
but together we can do it
taking one day at a time*

*It was always my philosophy
and I'd like it for you too
that as you give unto the World
so the World will give to you*

*If you can help somebody
who is in sorrow or in pain
then you can say to God at night
my day was not in vain*

*And now I am contented
that my life it was worthwhile
knowing as I passed along the way
I made somebody smile*

*So if you meet somebody
who is down and feeling low
just lend a hand to pick him up
as on your way you go*

When you are walking down the street

*and you've got me on your mind
I'm walking in your footsteps
only half a step behind*

*And when you feel the gentle breeze
or the wind upon your face
that's me giving you a great big hug
or just a soft embrace*

*And when it's time for you to go
from that body to be free
remember you're not going
you are coming here to me*

*And I will always love you
from that land way up above
Will be in touch again soon
P.S. God sends His Love*

Earth's loss is Heaven's gain. You will see her again, and she is no longer in pain. Praying for comfort for you all.
