“ Debbie was my buddy, we always called each “girlfriend”. I have so many memories of times we along with our husbands spent together. I will always remember our trip to the lake, along with our other friends. You earned your wings but way to early, I will never forget you, I love you.

“ Turtle and Chris, I think i've known Debbie almost her whole life. I can first remember her as Phil's little sister with some of the curliest hair I had a ever seen. I got to watch her grow up into a beautiful young woman and saw her become a mother to Chris. Cherish all the wonderful memories you have of her. From Terry Whitt.
