“ *Dearest Karen, My heart aches for you and your family. Words are hard to find that will comfort you now, but I have been through what you are experiencing, and I want you to know you can call on me at any time, day or night. I found it helps to find someone who will just listen. Just e-mail me when you feel like it, and I will gladly give you my phone number. Thinking of you and praying for God's comfort for all of you now and in the days to come. Love you, Karen Gilliam*
