“ I moved to Harvest in 1994 and went to shop at the Feed Mill for fencing materials, etc. Dian and Jimmy were so welcoming and full of excellent advice. The Feed Mill is such an awesome place... family owned for generations which is just unheard of now. Dian will be greatly missed... my heart goes out to Jimmy and Phillip. Sending hugs to you all.

“ Dian and I were best friends in middle school at East Limestone many years ago. The memories are precious and will remain with me forever. I saw her again last August at a Sparkman High School reunion and I was so very happy to see her again and talk with her. She was just as beautiful as ever and so sweet and kind. May God comfort her family during this time. My thoughts and prayers are with all of you. Gayle Power

“ I remember when Dian first came into our family. When we met her, we thought our cousin Jimmy struck pure gold. Dian was one in a million. She treated people with genuine care and concern from her heart. I consider myself fortunate to have had such a wonderful cousin as our precious Dian. She will be profoundly missed...❤️

I met Dian and Jimmy years ago at Harvest Feed Mill when I was still farming. She was a super lady and was always friendly and smiling when I would go in. She will be missed greatly! May God's loving arms wrap around this family and comfort them during this very difficult time.

Dian and Jimmy feel like part of my family. They have been so caring and helpful to me since I my late husband and I moved to Harvest 22 years ago. Dian had a huge heart and was always happy to answer my questions and make recommendations to help me with any of my lawn or feed issues. She will be missed by all. Janet woods

*Dian was a wonderful person and a Christian; kind, giving, always with a smile and seldom with an ill word. She and Jimmy helped me when I moved to Tony to start a farm with my ex-wife. Always helpful and offering advise for what ever you were tackling. She will be missed by many. Prayers for Jimmy and the rest of the family as they deal with her loss.*

*I was so saddened when I stopped in at the Mill today and ask Jimmy how Dian was doing. Somehow I missed her passing in the paper. She was a dear person, always the same, My wife Lois West was a friend and they loved each other very much. I was also acquainted with Her and Jimmy for many years. It was such a shock. My prayers go out to all her family, especially Jimmy as I went through the same thing almost 4 years ago and have an idea how He is feeling, family stay close and comfort each other and to all She touched that will miss her Dearly.
