“ *One of the memories I still laugh about was when Grandma Diane was visiting us and we went out to dinner. She took a picture of my oldest son (who was very young at the time). It was a bit dark therefore, the flash went off. My son quickly put his hands over his eyes and yelled "AH MY Eyes!". It was unexpected and made Grandma laugh so hard, which made us all laugh. I can still hear her laugh and it makes me smile.*
