“ *Donald was by far one of the best guys I ever had the privilege to work with at Morton/BASF. Donald came to work with a smile for everyone and always kept us laughing with his antics. You will be missed.*

“ *I will miss my friend of many many years that knew me when I was knee high. Will miss that laugh that would make any room light up. I am selfish in wishing that he would not have passed and therefore will celebrate his crossing into a place with no pain or sorrow. I will celebrate his life and memories he has left behind. Love you Donald!!*
