*When tomorrow starts without me  
And I'm not here to see  
If the sun should rise and find your eyes  
All filled with tears for me*

*I wish you wouldn't cry  
The Way you did today  
While thinking of the many things  
We did not get to say*

*I know how much you love me  
As much as I love you  
Each time that you think of me  
I know you will miss me too*

*When tomorrow starts with out me  
Please try to understand  
That an angel came and called my name  
And took me by the hand*

*The angel said my place was ready  
In heaven far above  
And That I would have to leave behind  
All those I Dearly Love*

*But When I walked through Heaven's Gates  
I felt so much at home  
When GOD looked down and smiled at me  
From his golden throne*

*He said This Is Eternity  
And All I promised you*

*Today for life on earth is done  
But Here it starts a new*

*I promise no tomorrow  
For today will always last  
And Since each day's the exact same way  
There is no longing for the past*

*So When Tomorrow starts without me  
Do not think we're apart  
For every time you think of me  
Remember I'm right here in your heart*
