Donna had away with making me feel so special and loved everytime I ran into her. She had the prettiest head of hair!! Anyways I'm so sorry for your/our loss.*

“ *I remember Donna well. She was om the class above me, but we were good friends. As a matter of fact, we were cheerleaders together one year or maybe two. She was a fun-loving teenager, I have not seen her since the 60's. Her family has my sympathy..*

“ *Please accept my sincere condolences during this time of grief. My hope is that the words of Christ Jesus be of comfort, when he stated that "the hour is coming in which all those in the memorial tombs will hear his voice and come out" (John 5: 28, 29). We can also take comfort in God's personal promise to "wipe out every tear" and that soon, even "death will be no more" (Revelation 21: 4).*

“ Dear sweet Donna, You will always hold a very special place in my heart as my first and most dearest sister in law. I was only a child when you married my brother Jim, but you took me under your wing, and gave me such love and encouragement and I will always remember our special times!!! I pray for your peace at last and for Cass and his beautiful family, who we love so much, and Cason, and all your beloved family. You will be missed for sure!! I wish we could have kept in touch more often, but I always loved you with all my heart!!! Peace and love and my dearest sympathy to Cass..... we love you ALWAYS!!!
