“ *How can I pick one special memory when you have given my family so many beautiful ones!!! Every year for our birthdays you always remembered each of my siblings and I, sending a card that always held \$5 , oh to me it was like a million, I was so rich!!! We loved when you sent Cindy's clothes to us!!! We couldn't wait for that box to arrive, you would swear they were right off the runways in Paris!!! You and Uncle Witt were Godparents to Jeffery and Amber!! The best thing was waiting for you all to pull up in front of our home and when you got out you hugged us as if we were the most special people in your life!!! We thought we were going to explode with anticipation until we saw you all!!! I loved how you loved my mom!!! She always told stories of when she lived with you and your family!!! I will always love you like you wouldn't believe and I will miss you with all my heart!!! Thank you for all the beautiful memories but more important your love!!!!*

ME

“ I am so very sorry that you have suffered this loss. It is hard to know just what to say when a loved one dies. Be assured that our loving Creator is aware of your loss and pain. Through His Son, Christ Jesus, he has arranged to bring back to life, "all those in the Memorial tombs." (John 5:28,29) At that time, Rev. 21:3-5 says: "Look! The tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will be with them. And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." And the One seated on the throne said: "Look! I am making all things new." Also, he says: "Write, for these words are faithful and true." I am very sorry for your loss. May God's Word, the Bible comfort you and your family. Sincerely, Meryl, jw.org - healingwordsforu@gmail.com
