“ I'm so sorry for your family's loss. My mom Nancy worked with Ozell for years when I was a kid. We visited her at her home several times. My sister and I would be running around outside, and David would just wave and say hi then keep on what he was doing lol whenever we rode by we'd look to see if he was outside so we could wave at him. We always liked them both. They were always so kind to my family.
