“ My husband and I would like to express our sincere sympathy to the family and friends of your beloved Edith. Although we never had the opportunity to meet Edith, we wanted to share with you comfort from Gods word found in John 5:28,29. Here we are given the wonderful hope of the resurrection of our dear loved ones, here on earth just as Lazarus was in John 11. Have comfort also in knowing that our Heavenly Father expresses our sincere compassion for us when someone we love dies. (Psalm 34:18). Share your memories with those who surround you, for the memories most cherished are the ones shared, may they bring you peace and joy as your heart begins to heal. Take care of yourselves and each other during this very difficult time.
