

## Ernest Alfred Brandon

January 19, 1933 - June 1, 2023

Ernest Alfred “Buddy” Brandon, beloved husband of Sallie Ballentine Brandon, passed away peacefully at their home in Huntsville, Alabama on June 1, 2023.

Buddy was born in Hopewell, Virginia and always considered himself to be a Virginian. He spent his career working for J&J Corrugated Box Corporation in various capacities. He had the greatest respect for the company’s founder, Edwin Jaffe, and felt his work at J&J suited and fulfilled him abundantly well.

The son of the late Ernest Bruce and Anna James Brandon, Buddy leaves his wife Sallie, three children, two stepchildren, and eight grandchildren. In addition to his parents, he was preceded in death by his first wife, Mary Frances (Pinny) Gilmer Brandon.

The family wishes to commend and thank the staff of Hospice Family Care for their compassionate care of Buddy and his family. Memorial contributions may be made to the Huntsville Hospital Foundation, directed to Hospice Family Care, or to a charity of one’s choice.

In lieu of a memorial service, Buddy simply requested that his ashes be scattered in Virginia, some upon his mother’s grave.

Ardmore Chapel Funeral Home is assisting the family.

Thank you, Mr. Jaffe,  
Our daddy thought very well of you, too.  
I remember him loving his time with you and the people at J & J! May the LORD Jesus bless and keep you and yours for being so good to our daddy.  
Sincerely,  
Melissa Brandon Twining

Buddy was such a lovely and kind person. I remember I was asked to drive him from J&J to UAB Medical for an eye appointment one time. We were so shocked while in the waiting room when they announced the Space Shuttle Challenger explosion. My condolences to Sallie and the family. Patty Amidon
