I am sorry for your loss. Marie was a great joy. She always had a sense of humor on her good days. I remember when she would listen to music she had this little dance she would do. It was so cute. I loved her. I am sorry that I couldn't come to the funeral or visitation. I had to work. I appreciate you thinking of me. I hope we will see each other again. Marie has a new body now and happy. I am looking forward now to our reunion day. Love you all. Melissa
