“ To the family: May you find consolation in your precious memories and the love of your family and friends. Of great importance also is the comfort and reassurance found in God’s word. Though death is the legacy of our forefather Adam (Romans 5:12), we are not without hope. The ancient patriarch Job had deep faith in a future resurrection (Job 14:14,15). May that hope bring you peace of mind as well. We will see our dead loved ones again.

“ I am so saddened to see this. Gary will be missed by many, myself included. I will never forget his voice standing at a bar just belting out whatever song came to his mind. But the thing I will remember the most is his laugh, it always made me feel better to hear that. Jennifer, Angie and family, my prayers are with you.
