“ *Estelle, Jeff, and Chad,*

*I'm so sorry for your loss and my prayers to you all during this difficult time. I'll always cherish the "best time of my life" when we were all an everyday part of each others families. Those were special years and I'm blessed to have been a part of that little neighborhood. I never pass that way without a thought of the good times. I can see that front porch now...you and Wayne in the swing and chairs and my Mammaw sitting with one leg on the porch and the other just a swinging... Love y'all and take care of each other. I'll have y'all in my thoughts. Sherry*
