“ *Always loved her contagious laughter...and can still hear it. My memories of her are always of her smile and her mutual love of animals of all kinds. I am so thankful to have had the opportunity to stop and visit with her last November when I was in the area...to laugh with her and show her photos on my computer, as we caught up on the years that had lapsed. She was a special lady and I cherish her memory always. My sincerest condolences to all of her family. You are all in my prayers as you process this great loss!
Much love always~*

“ *Fond memories of Mom: At Christmas, we would make and decorate cookies. When my Dad would take a bath he would whistle and my Mom would go to him and wash his back. She loved to write poetry. Mom was a great cook and on Sundays, the whole house would be filled with the aroma of what had been baking in the timed oven when we arrived after church service. Heard the parting words "So Long", ending our phone conversation this week for the last time. Rest in Peace. Love you Mom*

“ *Charles and Ruth Walter loved Norman and Grace Leslie and there littleones dearly. I grew up loving my cousins like they were my siblings. Junie, Norman (Butchie) as we fondly called him, Jimmy, Norma, Cora, Tommy, and Danny, I've been loving and praying for all your family.
