“ Sonny and Faith,
Ms Hortense was one spunky, little lady. I have so many fond memories of her when I worked in Ardmores and she was my patient. You always came away smiling when you had been with your mom. I believe we can say she had a GOOD life.

“ *She was one of a kind. Never knew what she would do or say but I love her. Her and Mom were like little kids together because she was alway young at heart. Now y'all have a bright angle watching over each and everyone of you*
