“ Jack was a very special person. We grew up together and our families were connected for generations. I can still see our grandfathers playing checkers. Life passes much too quickly and I know Jack is at peace with his family who have gone before. Sincere sympathy and loving memories. Diane Whitman Kanauka

“ I remember Jack as always having a smile on his face during our growing-up years. You are gone too soon because God had other plans for you. You married the sweetest girl Debbie, my cousin, and I know you both had a wonderful life together. Much love and condolences to Debbie & family. May God put his arm around you in your sorrow to find peace & support. Much love Vickie Hicklen Gleason
