“ *Mr. James was a very special man. I have so many wonderful memories of him and he loved his family so much. Before COVID, he would come by the chamber office to see me and visit with me on a regular basis. When Ms. Minnie died he was so sad but he knew she was not suffering anymore. Now he is walking the streets of Heaven with her and celebrating with our Lord and not in pain. Continuing to pray for the family. Yolandia Eubanks*
