“ *James was very dedicated and detailed when it came to his job as a Police Officer. He put 100 percent into everything he was tasked with on the job. James loved Alabama Football and even while loosing his battle with cancer with little time left here on earth he had to contact me and let me know how bad his team just beat mine. To those that knew James would just agree, that was James just being James and he was able to laugh that day. He will be missed.*

“ *I am so sorry for your loss. I know Tim from back in the 1980s TRW days when he worked as a contract pricer. We shared many fond memories camping, jeeping, hanging out around camp fires, alabama football games and just get togethers. Always being the one and only Auburn fan, Tim brought me an Auburn camping chair so I had company!! He will be missed. I know that Sam adored him even after 2 decades of marriage. She and the rest of his family are in my prayers. May you find peace in your memories.*
