“ *My First Christmas in Heaven*

*I see the countless Christmas trees around the world below
With tiny lights like Heaven's stars reflecting the snow.
The sight is so spectacular- please wipe away the tear
For I'm spending Christmas with Jesus this year.*

*I hear the many Christmas songs that people hold so dear
But the sound of music can't compare with the Christmas choir up
here*

*I have no words to tell you the joys their voices bring
For it's beyond description to hear the angels sing*

*I know how much you miss me, I see the pain inside your heart
But I am not so far away, we really aren't apart.*

*So be happy for me dear ones you know I hold you dear
And be glad I'm spending Christmas with Jesus Christ this year.*

*I sent you each a special gift for my heavenly home above,
I sent you each a memory of my undying love.*

*After all love is a gift more precious than pure gold.
It was always most important in the stories Jesus told.*

Please love and keep each other as my Father said to do.

For I can't count the blessing of love he has for each of you.

So have a merry Christmas and wipe away that tear.

Remember I am spending Christmas with Jesus Christ this year.

“WHEN TOMORROW STARTS WITHOUT ME”

*When tomorrow starts without me
And I'm not here to see
If the sun should rise and find your eyes
All filled with tears for me*

*I wish you wouldn't cry
The Way you did today
While thinking of the many things
We did not get to say*

*I know how much you love me
As much as I love you
Each time that you think of me
I know you will miss me too*

*When tomorrow starts with out me
Please try to understand
That an angel came and called my name
And took me by the hand*

*The angel said my place was ready
In heaven far above
And That I would have to leave behind
All those I Dearly Love*

*But When I walked through Heaven's Gates
I felt so much at home
When GOD looked down and smiled at me
From his golden throne*

*He said This Is Eternity
And All I promised you
Today for life on earth is done
But Here it starts a new*

*I promise no tomorrow
For today will always last
And Since each day's the exact same way
There is no longing for the past*

*So When Tomorrow starts without me
Do not think we're apart
For every time you think of me
Remember I'm right here in your heart*
