“ Please accept my deepest sympathy for your loss. Jim was my friend and mentor.
Jim is the man that added sparkle and hope to the seemingly endless years of my Tool&DieMaking apprenticeship. After supper he ALWAYS wanted to dance. He would find a radio and max out the volume and then grab the first gal he saw and dance and dance. Sometimes it was me - sometimes it was another's turn. What a wonderful joy he had for life! I lost Jim's e-mail address several years ago so we lost contact. I'm so sorry that happened. KNow he will be missed in my heart.

“ Jim was my best friend for over 40 years. Sometimes he was more like a brother than a friend. We both worked at Guide. He always found the humor in every situation. We loved to fish & hunt for mushrooms. We had a lot of good times together. Those memories will last a lifetime.
