“ *Janie, me, along with our cousin Sandra were the very best of friends. We shared many happy times at Sandra's home in Harvest. Those times will never be forgotten. We have kept in touch all these years and always promised to be there for each other. I will miss her sweet smile and nature. We understood each other and always wished the best for our mutual families. I celebrate her life and know she is in the arms of love. Rest, dear girl and enjoy your journey in the hereafter. Your forever friend, Roselie*
