“ *I first met Wayne 46 years ago when we moved into this area and I stopped at a little corner store in Elkton, TN and bought some snacks. I have enjoyed knowing Wayne over those years as I would stop in his places of business. I knew he was suffering with pain but did his best to cope and keep on going. I pray that he is at peace with our Lord and free of pain in his eternal dwelling place and that his family is comforted at this difficult time. Ted Edge*

“ *When tomorrow starts without me  
And I'm not here to see  
If the sun should rise and find your eyes  
All filled with tears for me*

*I wish you wouldn't cry  
The Way you did today  
While thinking of the many things  
We did not get to say*

*I know how much you love me  
As much as I love you  
Each time that you think of me  
I know you will miss me too*

*When tomorrow starts with out me  
Please try to understand  
That an angel came and called my name  
And took me by the hand*

*The angel said my place was ready  
In heaven far above  
And That I would have to leave behind  
All those I Dearly Love*

*But When I walked through Heaven's Gates  
I felt so much at home  
When GOD looked down and smiled at me  
From his golden throne*

*He said This Is Eternity  
And All I promised you  
Today for life on earth is done  
But Here it starts a new*

*I promise no tomorrow*

*For today will always last  
And Since each day's the exact same way  
There is no longing for the past*

*So When Tomorrow starts without me  
Do not think we're apart  
For every time you think of me  
Remember I'm right here in your heart.*

“ *Many years ago I was struggling financially. I had known Wayne as long as I could remember, so I went into the ConocoPhillips and asked for credit from the person at the counter and of course I didn't get it. I went back when Wayne was there, told him my situation which I'm sure he knew, it's Ardmore. He instantly told the lady to create an account for me. No questions, no insults. He even gave my kids a free slushy. May not sound big to some people, but I've never forgotten it and will always remember him with a smile.*
