“ Jessica lived with mark and I for a while. During that time I felt like Jessica and I grew close. I was kind of a tuff love and I upset her a time or so. You know how kids are can't tell them anything they already know it. She was a sweet child and had alot of heart ache In her short life. I am so sorry that God took so soon. Oh how I wish that I had made more of an effort to stay in touch with her.

“ *I feel so, so bad I did not spend more time with my niece. We stood and talked at the store a few nights back. We hugged and we told each other I love you and we would see each other Christmas day as always. I love my nieces , who were pretty much my sisters when we were little, and I don't want them to ever hurt. I wish I could have been closer to Juggie and I could make the pain for her sisters and father go away right now. Life is precious and the next day is not a guarantee.*
