“ *It is so hard to believe it has been 1 year since you went home to be with the Lord. I miss you so very much everyday. You and I was friends for many years. You always called me on my birthday for so many years. I missed that phone call this year. As much as I miss you it is a comfort to know you are in no more pain. You are with James and your dad again. I rest in peace knowing I will see you again one day. I will love you forever.* ”
