“ I know you are exactly where you want to be now. I wish I could've seen your face when you were greeted by your girl. Although our hearts are broken I'm at peace knowing you will no longer be suffering. I love you more than words can express granddaddy! I know I will see you again one day!

“ So sorry to learn of your dad's passing. I remember him driving our 7th grade class to Chattanooga and he also drove us to several ballgames. Treasure your memories. God Bless you all. Dora Tucker Barnes
