“ Aunt Jo was one of my favorites! She was the sister to my Grandmother, Marie Diller. Memories of Aunt Jo are countless and she had a tremendous impact on all who knew her. Aunt Jo loved God, family and friends and raised a great family that demonstrates the values she held so deeply.

*I remember a couple of things that always impressed me about Aunt Jo...First, she was extremely competitive. I truly believe she would have competed with just about anyone, at anything. She loved to win!*

*The second thing was, she loved baseball and watched the Atlanta Braves whenever she had the opportunity. Most times she would give us a hard time about how much sports we watched on TV but one evening while visiting Aunt Joe with Grandma Rie (this was what I called my Grandma Marie) I happened to catch Aunt Jo in the living room watching the Braves and quickly asked...Aunt Jo are you watching baseball? As she did most of the time when I asked her question...she quipped with a quick reply: Of course I am, who doesn't like the Braves? Being an avid Yankees fan myself, I'm sure you could see where this caused an great debate!*

*There are many more stories I could share about Aunt Jo and I'm sure she would be laughing after sharing them. This lady lived a truly blessed life and she made sure to pass those blessings on whenever she could.*

*Our deepest sympathy goes out to her family at this time. Please know you are all in our prayers and will be thinking of you at this time.*

*Sincerely,*

*Dustin, Amber, Owen, AJ and Kate Diller*
