JS

“ Kennie,
This is Jack Smith. I worked with Billy beginning in the fall of 1964 to the fall of 1976. Actually I worked under him, he was my lieutenant and/or captain. He made DC after I moved to 12. He was fun and great to work for in the station and one of, if not the best, officers on a fire I ever worked for. I have thought of him often over the years and will continue to do so.

Sorry for your loss.

Jack.
