“ Johnny, Keke, and I were a very small group at work for years. He would aggravate me and then be grinning and say "well what you all rilled up for?" My shorthand notes made him angry and we would laugh constantly about something he said or did. He was kind and loved his family to the ends of the earth. One great man!

“ My condolences to the family. Heartbroken is an understatement. Johnny knew how much my dad loved Auburn and hated Alabama and Nick Saban. So Johnny and I decided to stalk him. I gave Johnny my dad's cellphone number and he would send him memes about how sorry Auburn was. My dad had no idea who was behind it. It was our little secret. I love you Johnny!
