“ Julie was one of my dearest and best friends. I am so glad our paths crossed. She was so helpful to me when I started working in Castner-Knott's Customer Service. After we retired, we met once a month for lunch, which I looked forward to. We usually never talked for less than three or four hours. I will cherish the memories of our time together. She was a beautiful and caring person and a blessing to others. Even during her times with health struggles, she was always upbeat and had a good outlook on life, evidenced in her phone calls to me, and she always had encouraging words for me. My heartfelt sympathy is with her wonderful family. God comfort your hearts with His love and give you peace and comfort in all of the happy memories you all created together.  
Love and prayers, Briana Harden
