“ Papa Ken was in my life for 33 years. I couldn't have asked for a better Dad/Step Dad. He would always tell everyone I know that I was his daughter. This wasn't something he had to do. I WILL FOREVER LOVE AND MISS YOU❤️❤️❤️

“ Ken was a kind person. We had so many good times at the American Legion conference's. I will never forget the stuff my brother Randy Rutherford, Wayne Selby and I would get into. We would go to every place in Gulf Shores and had a blast. I know he loved his entire family, especially his wife Cheryl and those grandchildren. May God comfort you all during this time.

“ Ken was always such a decent human being. He was great to work with and he taught me a lot. The reason I know how to read an engineering drawing is because he took the time and patience to teach me. He was a good person. - Letha Smith
